

Application for NYL Steering Committee Membership

Thank you for your interest in joining the Northern Youth Leadership (NYL) Steering Committee. The purpose of the NYL Steering Committee is to assist in the guidance, development, and delivery of programming for young women and men in the NWT specific to enhancing and developing: leadership, personal development, cultural exchange, outdoor recreation, environmental literacy, and creative expression. While day-to-day operations are managed by NYL staff, the Steering Committee is responsible for overall leadership of the project, including oversight of the Project Director.

The Steering Committee meets on average 7 times a year including one weekend-long retreat. In addition, there are opportunities to volunteer for committees and to be part of the Incident Command structure during camps.

We appreciate your taking the time to complete this application. It will be reviewed at the next Steering Committee meeting, and then the Chair of the committee will contact you regarding your potential involvement.
